Magnificent Custom Home In Bell Canyon Equestrian Community

This 7,300-square-foot custom architectural is on more than an acre of land in the guard gated equestrian community of Bell Canyon. Built in 2009, the contemporary home has panoramic views and picture windows in almost every room.

The five bedroom, seven bath house features "Smart House" technology with lighting, music and alarm control as well as an elevator, home office with views, gym, state of the art media room, wine cellar, custom designed stainless steel entry door, maple floors, custom lighting, three-car garage, and a modern kitchen with built in Sub Zero/ Miele/Wolf appliances.

For entertainers, the home has a suspended infinity pool, spa, indoor/ outdoor fireplace, outdoor kitchen and roof top patio with more than approximately 2,000 square feet. The rooftop patio also has a fireplace.

Sunny Yi of Rodeo Realty is the listing agent. The home is priced at \$2,980,000. For more information, visit www.175dapplegrayrd.com/.
