Richard Fortus, rhythm and lead guitarist for the rock band Guns N' Roses, has placed his Woodland Hills house on the market at \$549,000.

The single-story contemporary has an open floor plan, cherry plank flooring and a flat-screen television in the living room. The kitchen features granite countertops and new stainless-steel appliances. There are three bedrooms, 13/4 bathrooms and 1,500 square feet of living space.

A swimming pool, a covered patio, a barbecue and an outdoor living room with a built-in kitchen complete the grounds.

Fortus, 43, joined Guns N' Roses in 2001. He tours with the band and played on the album "Chinese Democracy." He also has played with the Psychedelic Furs, recorded film scores and toured with artists such as Enrique Iglesias and Rihanna.
